What it includes

The membership model provides all the benefits and support that schools need to succeed with the Rights Respecting Schools Award (RRSA). By providing them in one package, we are putting your school in control of how you access support throughout the year to advance your progress to the next stage of the Award.

Under the membership model, your school can benefit from the following advantages as soon as you pay your annual subscription or acknowledge your commitment to membership:

■ Training courses and support workshops

Attending training and accessing support from our team helps schools to progress. Under the membership model, training courses for each Award stage and support workshops are included within your subscription. These can be attended by up to two members of school staff, for example, the RRSA Lead and one other.

■ E-Learning

Available for all staff in your school. E-Learning includes modules on Achieving Bronze, Strengthening RRSA and Global Citizenship and is useful Continuing Professional Development (CPD) for all school staff.

■ Tailored Support Call

We offer a tailored support video call with your regional Professional Adviser at a time convenient for you, each year.

■ Online Teaching and Learning Resources

You will receive regular notifications of new online teaching and learning children's rights resources, such as Article of the Week. During term time you will receive regular email newsletters and you will be able to join our closed Facebook community group to meet others taking part in the Award.

■ Accreditation

When your school is ready for accreditation:

Bronze: Rights Committed

Feedback on your Action Plan, Bronze certificate and use of the Bronze RRSA logo.

Silver: Rights Aware

A virtual accreditation visit by an experienced member of our team that includes a feedback meeting with your senior leadership team to clarify recommendations, a short report with recommendations for next steps to Gold, a Silver certificate, a Silver school gate banner and use of the Silver RRSA logo.

Gold: Rights Respecting

A virtual or face-to-face accreditation visit by an experienced member of our team, a report with recommendations for maintaining Gold, a Gold certificate, a Gold banner and use of the Gold RRSA logo.

Reaccreditation at Gold: Rights Respecting

A virtual or face-to-face accreditation visit by a Professional Adviser, a report with recommendations for maintaining Gold, a Gold certificate, a Gold school gate banner and use of the Gold RRSA logo.

Costs

To make it fairer for all schools, we are moving towards an annual, per pupil payment as outlined in the table below. This is based on the number of pupils at your school at the date of your sign up. The annual fee will remain the same even if the number of pupils at your school changes later (unless you believe the change in numbers is significant).

To encourage you to progress to Gold, where the ethos of the Rights Respecting Schools Award is truly embedded and the greatest impact for children is seen, the annual subscription cost reduces after Gold is achieved (RRSA Post-Gold membership). So the more progress you make, the less you pay.

The Rights Respecting Schools Award does not make a profit, our charges simply seek to cover the costs of running the programme.

	TYPE OF MEMBERSHIP
