NOTES TO EDITORS

UNICEF promotes the rights and wellbeing of every child, in everything we do. Together with our partners we work in 190 countries and territories, including the UK, to translate that commitment into practical action, focusing special effort on reaching the most vulnerable and excluded children, to the benefit of all children, everywhere. UNICEF UK raises funds for UNICEF's emergency and development work and advocates for lasting change for children everywhere. We are a UK registered charity, supported entirely by voluntary donations. We do not receive any money from the UN. For more information, please visit [unicef.org.uk](https://www.unicef.org.uk)
