CHILDREN ARE HARDEST HIT BY EMERGENCIES

Never before have children faced so many devastating wars and disasters. When an emergency hits, children's worlds are turned upside down.

Whether they face conflict or natural disaster, children are put in terrible danger. Many lose their families, their homes, their schools - even their lives.

Unicef is on the ground, all over the world, providing life-saving food, vaccines, clean water and warm blankets. We will do whatever it takes until every child is safe.

KHALIL'S STORY

With their world turned upside down by war, more than 2 million children have been forced to flee Syria. Many of these children and their families live in makeshift settlements, exposing them to the dangers of malnutrition and disease.

Children like one-year-old Khalil, who was born in a refugee camp in northern Iraq. He is frail and underweight for his age. Unicef is working to ensure Khalil has everything he needs to grow up healthy and safe.

With your support, we can continue to help give children like Khalil life-saving food, healthcare, clean water and materials to continue their education.

HOW TO TAKE PART

Jar of Grace raises money for the vital work that Unicef delivers for children facing emergencies all over the world.

When you say grace before a meal, take a moment to think about Khalil and all the other children in danger around the world who so desperately need our help. Put a few coins in a jar to help keep children safe.

Follow these three simple steps to take part in Jar of Grace.

1. Tear off a label and stick it on an empty jar.
2. Put a small donation in the jar when you say grace before a meal, or at a time that suits you, to help us reach every last child.
3. If you are a UK taxpayer, your donation could be eligible for Gift Aid from the Government. Please visit [Unicef.org.uk/Donate/Gift-Aid](https://www.unicef.org.uk/Donate/Gift-Aid)
4. When your jar is full, please bank the money you have raised and send us a cheque payable to Unicef UK with your reply form below to: Unicef UK, 30a Great Sutton Street, London EC1V 0DU

There are other ways you can fundraise for Unicef UK. For example, why not organise a collection during one of your morning services, a church meal, or a concert?

For lots more fundraising ideas, please contact us on **0300 330 5580** or at fundraisinghelp@unicef.org.uk.

HOW YOUR DONATIONS COULD HELP

Could buy a vaccine cold box to keep life-saving vaccines effective.

Could provide two malnourished children with food for a week.

Could buy water kits for 10 families, giving them access to safe water.

Almighty God,

Thank you for giving us the opportunity to protect those children around the world who are put at risk during tragic emergencies. We pray for those children who are yet to be reached. Help us to put them first as we strive to eliminate barriers in order to reach them. Bless this donation, that it might be multiplied and help change the lives of children across the world.

In the name of Jesus Christ our Lord,
Amen
