

Bake For SYRIA

at

Unicef is working tirelessly to protect Syrian children and give them hope for a happy future.

By supporting our school's bake sale, we can help these children feel safe, warm and happy.

- **£3** could help provide a **warm thermal blanket** to keep a baby warm.
- **£10** could provide **four story books** for refugee children, helping them learn and enjoy reading like any other child.
- **£50** could provide **warm winter shoes** for five children, to protect them against the elements.
- **£300** could provide **heating for three child-friendly spaces** in a refugee camp, bringing safety, warmth and happiness to many children.
