UNICEF UK ON CAMPUS SOCIETY

WHY JOIN AN ON CAMPUS SOCIETY?

On Campus Societies are a vital part of Unicef's work. Through campaigning and fundraising activities, you support us in our efforts to protect children in danger, transform their lives and build a better and safer world for tomorrow's children.

Campaigning: An essential part of campaigning is mobilising people to speak up and influence key decision-makers to achieve campaign goals. As a campaigner, we will encourage you to contact your local MP (including meeting them face-to-face and writing personal letters or emails), engage with local media, and raise awareness of our campaigns within your university community.

Fundraising: Unicef UK relies entirely on donations, as we do not receive any money from the UN. As an On Campus society member, we will call on you to support our appeals by raising funds for the world's most vulnerable children: providing them access to health facilities, education, psychosocial support and so much more.

UNICEF: FOR EVERY CHILD

Operating in more than 190 countries around the world, Unicef is the world's leading organisation for children. We have done more to influence laws, policies and customs to help protect children than anyone else. When an emergency strikes, Unicef is on the ground to provide clean water, medicines and protection to children in danger. We promote the rights and wellbeing of children in everything we do, and we won't stop until the world is a safe place for every child.
