

STAND WITH REFUGEE CHILDREN

WITH A STROKE
OF YOUR PEN,
YOU CAN PROTECT
VULNERABLE
CHILDREN

Dear Home Secretary,

More than **136,000 people** across the UK are asking you to fix the family reunion law that is keeping families apart.

No child should be without the love and protection of their family.

Please amend the UK's immigration rules so that children fleeing conflict and persecution can be safely reunited with their loved ones living here in the UK.

A CHILD IS A CHILD

FOR EVERY
CHILD IN
DANGER

THESE ARE THE NAMES OF OVER 136,000 UK RESIDENTS LIVING IN ALL 650 CONSTITUENCIES WHO SIGNED OUR FAMILY REUNION PETITION.
