

Unicef UK

Appointment of Trustees

Join us to create a world safe for every child

Unicef ensures more of the world's children are vaccinated, educated and protected than any other organisation. We have done more to influence laws and policies to help protect children than anyone else. We get things done. And we're not going to stop until the world is a safe place for all our children.

We are currently seeking to appoint up to three Trustees, to join our passionate, dynamic and collaborative Board of Trustees at Unicef UK as we go through a period of change and reflection. You will be a committed individual who will bring their expertise and skills to help us deliver our ambitious strategy and our vision to do whatever it takes until every child is safe and able to fulfil their potential.

You will be an individual of exceptional calibre with a clear commitment to children and their rights. We would like to hear from candidates from variety of professional backgrounds but particularly welcome experience in governance, finance, non-profits, non-profit fundraising and/or individuals with a civil service/government background. You will bring vision, excellent communication skills and an understanding of governance in order to help guide and enhance the strategic development of Unicef UK.

If you are motivated to help to us achieve even more impact for children, you can apply or download further information on the required qualifications, skills and experience for the role at <https://candidates.perrettlaver.com/vacancies/> quoting reference 4883. The closing date for applications is Thursday 26th November 2020.

We particularly welcome applications from black, Asian and minority ethnic candidates, LGBTQ+ candidates and candidates with disabilities, because we would like to increase the representation of these groups on our Board. We want to do this because we know greater diversity will lead to greater results for children. We encourage applications from all socio-economic backgrounds.
